CAREER OBJECTIVE

To leverage my skills in front-end and back-end development, along with a strong foundation in responsive design and user experience, to create innovative and efficient web solutions.

WORK EXPERIENCE

Machine Learning • Internship   Aug 2024 - Sep 2024
CODTECH IT Solution, Virtual

Body Mass Index (BMI) Calculator in Python is a simple tool that computes BMI based on user input for weight and height. It provides instant feedback on health status by categorizing BMI results into underweight, normal weight, overweight, or obese.

Machine Learning • Internship   Aug 2024 - Sep 2024
CODTECH IT Solution, Virtual

TTS using GTTS in Python is a project that converts text to speech using Google's Text-to-Speech API. It allows users to input text, which is then transformed into an audio file.

Electronic And Electrical Engineering • Internship   Jul 2023
Govt. ITI Narsinghpur, Narsinghpur

"During my internship in Electronic and Electrical Engineering, I gained valuable insights into electronic components and their functions. I learned how different components work together in circuits.

EDUCATION

Computer Science & Engineering   2022 - 2025
Govt. POLYTECHNIC COLLEGE NARSINGHPUR
CGPA: 6.70/10

PROJECTS

Portfolio website ↗
Aug 2024 - Sep 2024

Welcome to my Web Developer Portfolio, where creativity meets functionality. This site showcases my journey as a front-end development, with a strong focus on clean, responsive design and user-centric experiences. Explore my diverse projects that highlight my skills in HTML, CSS, JavaScript.

Project management system ↗
Apr 2024 - May 2024

Introducing the Project Management System, a comprehensive web application designed to streamline project planning, execution, and tracking. Built with a focus on simplicity and efficiency, this system enables teams to manage tasks, assign roles, and monitor progress in real-time.

SKILLS

- HTML
- Python
- Computer Networks
- Data Science
- Flask
- JavaScript
- Database Management System (DBMS)
- Time Management
- GUI Testing
- SQL
- C Programming
- Bootstrap
- CSS
- User Interface (UI) Development
